## STAND UP FOR YOUR WRITES

Sunday 28th Sept 2025 - Rushlake Green

If you're a writer, we'd love you and your work to be featured in our poetry, prose and music session planned for Sunday 28th September, 2.00pm in the Dunn Village Hall - Part of the Big Little Arts Weekend 25th - 28th Sept 2025

We hope that you will read your work yourself but if you feel unable to do so, members of the Rushlake Green Village Players will be on hand to do the readings on your behalf.

We're planning a very informal and supportive session, with live acoustic music to top and tail the readings. There will also be refreshments and an opportunity to meet up with other local writers and interested readers.
